Report of Superintendent of Schools

Milan, N. H.
February 1, 1935

To the Milan School Board:

I submit, herewith, the annual report of the Superintendent of Schools, it being the fifteenth in the series of such reports.

Teachers

The beginning of the present school year found several changes in the teaching force. Miss Phyllis Jackson and Miss Helen Wells, both teachers of several years' experience, were transferred from the Hamlin and Milan Hill schools respectively and placed in the Upper and Lower rooms at Milan Village; the former teacher at the village having resigned to accept a more advanced position elsewhere. Both of these teachers have carried on the work effectively.

Miss Leona Fysh, a graduate of Plymouth Normal was elected at the Hamlin School, and Miss Pauline Webb at Hodgdon Hill to take the place of last year's teacher who had accepted a position in Maine.

On account of the small enrollment, the Milan Hill School was closed and pupils transferred to the Village School.

Pupils are doing work in accord with the State Program of studies and satisfactory progress is being made.

Twenty-nine of our pupils are this year in attendance at Berlin High School.

Attendance

The average attendance for the last complete school year was 93.3%. The best record was at Milan Hill, with a percentage of 95%.

Health

Through a special allotment of Federal Funds, it was possible to conduct a Dental Clinic for school children in December, and many dental defects were corrected. This was a real constructive health project.

The general Health Supervision for the year has been under

the direction of Mrs. Nina McCarthy.

Finances

The total of appropriations for this coming year will probably be somewhat reduced, mainly because of the large balance on hand carried over from last year. The School Board and Superintendent have carefully estimated the budget for year 1935-36, and it is believed that this estimate is consistent with the policy of maintaining good schools.
